March 2002

PRESIDENT'S MESSAGE

Fellow Alumni,

Happy New Year and **THANK YOU** for the privilege of serving you as President for 2002. While last year provided one of those national tragedies that touched all of us in some way, it also reminded us to appreciate life, family and friendships even more. We look forward to the future with hope and optimism.

It was wonderful to see so many of you at our annual luncheon in December. Ed Davis and his staff deserve our thanks for putting on such an enjoyable event. Your responses to our survey at the luncheon will be carefully considered and used to help us plan 2002. (See survey results below.)

One of our major initiatives this year will be re-invigorating our standing Fellowship and Reception committees. We will be reaching out to new and "grandfathered" members as well as to those experiencing family health emergencies and loss. Our goal will be to make sure the extended family of retirees is cared for.

We welcome our newest Board members Patty Kelly and Pat Barnhill, and look forward to their contributions. They and the returning Board veterans will do their best to provide more and better events for good fellowship in 2002.

REPORT ON ALUMNI ASSOCIATION ANNUAL LUNCHEON

331- That's the number of Alumni Association members and their guests who met at the Scottish Rite Masonic Center in Mission Valley on Monday, December 3, to catch up with the adventures of their long-time working associates and enjoy a delicious buffet luncheon.

Outgoing president Carl Lower acknowledged those retired and current SDG&E officers and attending officers of Sempra Energy in the audience, then introduced the guest speaker, Mike Niggli, president of Sempra Energy Resources, who spoke about California's past, present and future energy business.

Carl summarized the year's business and social events, and by process of elimination the oldest member attending and the member who traveled the furthest were discovered.

Pam Fair, SDG&E vice president, customer services, reported on the results of the election and asked the new officers and board members to line up on the stage as each name was called. Officers for the year 2002 are: Bruce Liska, president; Ed Davis and Bob Hope, vice presidents; Pauline McKnight, secretary-treasurer. Board members are: Pat Barnhill, Wally Dibb, Mickie Foster, Doug Goodman, Jack Harrelson, Lucille Henderson, Patty Kelly, Carl Lower, Gene McElroy, Alice Myers, Charlyne Oslin-Smith and Bob Schlotter.
