January 2006

## PRESIDENT'S MESSAGE

Your Alumni Association Board of Directors has begun the planning for an exciting 2006. As we look forward to the year, several events such as Lawrence Welk Dinner Theatre, Ronald Regan Library, Padre games, Follies, Old Town Theatre, monthly luncheons and of course our Annual Luncheon are all being developed and planned.

Planning and working on these events takes a lot of dedicated work on the part of a small group of individuals, your Board of Directors. I would like to take a moment and recognize them for dedication and fine efforts on behalf of our membership.

I would also like to invite each of your to join us if you have a desire to help out with any of our events or serve on any sub-committees. We look for new ideas and events. It is fun, rewarding and you will get the opportunity to work with some great people. Please call any of our Board members if you are interested.

In order to better communicate with each of you we are also working to create an Association web site this year. We hope to have it up and running by mid year so you have current information on a timely basis about your Association, its activities. Board member contact information and events. We look forward to seeing you all as we progress through 2006 and wish you all a very healthy and prosperous New Year.

Jay Shepard

## 2005 HOLIDAY LUNCHEON

We had another successful event with again over 340 attendees. Jim Avery, SDG&E Vice President spoke to attendees on what has been happening and will take place in future with SDG&E. It was very informative.

Vicky Zeiger presided over installing your 2006 Officers. Also numerous prizes were given out as a result of our opportunity drawing. We thank you for your support.

## FROM THE EDITOR

In the September issue we gave you information about a new website that had been developed for Association members. Unfortunately shortly after publication, it was determined we would be unable to utilize that website through the company.

We are sorry for any inconvenience it may have caused you. We are now pursuing establishing our own private website. Once we establish it and finalize the format, we will inform all members of the new website address.

With only three newsletters being published a year, we know it is critical to be able to communicate with members on a more regular basis. This is especially important when planning and advertising information on trips and activities.

Our goal is to provide a second easy to use vehicle to better communicate and provide information to our members.
