

Retiree Times

April 2006

PRESIDENT'S MESSAGE

It is already April and the Padre's Home Opener is this month for all of you baseball fans. Better yet, your Alumni Assoc. has tickets to the Sunday, July 2nd game against the San Francisco Giants. In April we also had a luncheon show at the Lawrence Welk Resort. Don't forget to schedule your trip to the Reagan Library in June. Look further in this month's Retiree Times for details on our new website. Or better yet, go to the new site at www.sdgealumniassoc.org where you can find all sorts of information about your Alumni Association, Board of Directors and planned activities.

In addition to the activities and events you have come to expect from your Alumni Assoc., we are also becoming involved in community outreach programs SDG&E sponsors. Last month several of your board members assisted SDG&E, the City of SD, SD Regional Energy office, Calif. Forestry Department and People for Trees hosting a Community Tree Planting event at Morley Field. The event featured booths and displays from the sponsoring organizations, tree planting in the park and free small trees for planting, Frisbees, hula hoops and other items to the public. Smokey the Bear and Louie the Lightning Bug were there and the National Arbor Day Foundation awarded SDG&E Vegetation Management Department a plaque recognizing them for their work preserving the natural environment of San Diego County. Watch our web site for further events to attend or to volunteer your help. We welcome your involvement and help, plus you can expect to have fun while you are at it"

Again, your board of directors is here to serve you, so call any of us should you have any questions.

FROM THE EDITOR

We have exciting news for our members this month. We have set up our own SDG&E Alumni Association WEBSITE. Yes, I know we said we had one before through the company, but that did not work out. So we have gone out on our own and set up one.

The Website is www.sdgealumniassoc.org

Our goal is to be able to provide you information on a monthly basis to augment the three issues a year of the Retiree Times. That means that you have another avenue to receive information on trips, events etc. and on a more timely basis.

Additionally, once we get things going we also would like to be able to provide you information on SDG&E Employee's Assoc. discounts and company sponsored community outreach programs. These events often need volunteers or you may just want to attend.

The Website is a work in progress, so give us time to refine it and let us know what you like and what improvements you would like to see.
