September 2006

## PRESIDENT'S MESSAGE

Hell once again fellow Alumni Association members. It is getting toward the end of 2006 and closer to our Annual Holiday Luncheon. You are all in for a treat this year as we have a brand new menu and have been able to keep the price the same as last year. It was all due to the hard work of several of your Board Members and we thank them. Of course we are also going to hold our luncheon drawing again so be ready to purchase your tickets, have fun and win big' We guarantee you that the odds of winning are better than the State Lottery"

This also means that we are getting toward the time of the year when we vote to elect new Officers and Board members. If you are interested in running for a position on the Board, please let one of your current Board members know. We are always looking for new folks and new ideas for activities during the year. The help each of you provide is very much appreciated by all. If you have specific areas of interest, let us know that as well.

We hope those of you that have taken advantage of our events this year have enjoyed yourselves and had the opportunity to see many of your friends along the way. Your Board of Directors is looking forward to seeing you all once again in December at the Annual Luncheon. Thank you.

Jay Shepard

## SUMMER PICNIC

This event has been cancelled for this year. However we plan to have this event or some other activity back in September 2007.

## FROM THE EDITOR

The Annual Holiday Luncheon will be held Wednesday, December 6<sup>th</sup> at the Scottish Rite in Mission Valley. The cost will remain at \$18 per person. Invitations will be sent out to all members.

After receiving some suggestions from last year's attendees, we have made a few changes to our menu. We are sure you will be pleased.

The annual luncheon is also when we hold our annual meeting and installation of the officers for the 2007 year. Ballot will be included in your invitation.

Last year we held an "Opportunity Drawing". It was such a success we will again be offering it this year. A form will be included in your invitation that will indicate different choices of the number of tickets you may purchase. We had an outstanding number and quality of prizes last year and we plan to continue that for the 2006 luncheon.

This "Opportunity Drawing" is the main fund raiser for the Association. So we appreciate your support in this endeavor.

This is obviously our largest activity each year and we always have a large turnout. It is a great time to see current friends and reminiscence with former o-workers.

## SDG&E LIAISON

My name is Raveena Bridinger and I work as the Liaison between the SDG&E Alumni Association and San Diego Gas & Electric Company. I have been working in this position since September 2005. As the liaison, my responsibility is to bridge the relationship between our alumni and SDG&E.

I have been working at SDG&E for five years. During these years, my duties have included being an Energy Information Representative, Program Assistant for the CARE Program, and now a Community Relations Administrative Associate.

I enjoy working with the Alumni Assoc. and look forward to working with them in the future.

## ALUMNI ASSOCIATION BOARD

Your Alumni Association Board and Committee consists of retiree volunteers. All are busy folks who love getting involved and planning activities. However, like all organizations, we sometimes have members that must leave the Board.

We are extending an invitation to our members to attend a Board meeting and consider getting involved. Meetings are held 11:30am – 1:00 pm the first Thursday of each month at the Century Park complex in Kearny Mesa. Please contact our President, Jay Shepard at 619-590-0290 or [shepard6@cox.net](mailto:shepard6@cox.net) if you have questions or to obtain details of the room we meet.

Our organization only stays vital, growing and up do date by having a good group of volunteers. Please consider getting involved. We look forward to new faces and ideas.

## WEBSITE

Just a reminder that this year we established an SDG&E Alumni Association website. We are in our infancy and just starting to utilize it. We hope in the future to expand our use as we see our members are checking in to see what is new.

In the future we also hope to add highlights of SDG&E Employee Assoc. activities and discounts.
