Retiree Times

September 2007

PRESIDENT'S MESSAGE

It hardly seems possible that we are going into the final three months of 2007. Time does fly when you are having fun and this year has been a busy one. We are already planning events for 2008, so be on the watch for trips to the Ramona Pageant in Campo, Tecate Train Ride, the Reagan Library, Annual Picnic and of course 2008 Holiday Luncheon in December.

We are finishing up our planning work for the 2007 luncheon. This will be a great time with another excellent menu, as we visit with our friends. We will also be holding our opportunity drawing, so be ready to purchase your tickets and have fun. Prizes won by members not in attendance will be delivered or mailed. Tickets are sold in advance with our luncheon ticket. None will be sold the day of the luncheon, as it is prohibited.

Our Nominating Committee will soon be meeting to nominate new Offices and Board Members for the next year. If you are interested in joining the Board, please let one of your current Board Members know. We are always looking for new folks with new ideas for activities during the year. If you have a specific area of interest, please let us know that as well.

Please continue to check our website www.sdgealumniassoc.org for contact people, their numbers and updates. Please join me in congratulating your Board Members for all their hard work this last year. Without them your Association would not be as successful as it is. We look forward to seeing each of you in December at the luncheon.

FROM THE EDITOR

Mark your calendars for Wednesday, December 5th for this year's Annual Holiday Luncheon to be held at the Scottish Rite in Mission Valley. Cost will be \$19.00 per person. Invitations will be mailed to all members.

We will be having our Opportunity Drawing and details will be included with your invitation. We appreciate your past support and hope you participate again this year. There will be a variety of prizes available.

At the luncheon we also conduct our annual meeting and installation of Officers and new Board members for 2008. We will have a speaker from SDG&E at the luncheon.

Our members comprise a variety of ages and interests. Some members are totally retired, some work part time and many are involved in various volunteer endeavors. Planning activities for this diverse group can be challenging.

We want to hear from you on what activities (existing or new) you would like to see offered. Should the activities be during the day, evening, weekdays or weekends or a mixture? Your input is vital to the Board when planning future activities. Make your voice heard by contacting any Officer or Board Member with your comments and/or suggestions.
