## President's Message

It's already mid-year and time is flying. Your association Board is working hard toward our annual Alumni Assoc. Luncheon. Mark your calendars for Thursday December 8. The location will be at the Marina Village; same location as last year. Invitations will be sent out in the September timeframe and space is limited to 350. We are also investigating options for a mid-year event next year. Now that we are a recognized non-profit, we are required to file tax returns with the IRS and State of California. I am pleased to announce that our returns have been completed and were filed prior to the April deadlines. We have also filed the necessary application with the State of California in order to hold our luncheon drawing this year.

Your Board of Directors will be meeting on the first Thursday of the month for the rest of this year, excluding December. We meet at 11:30 AM, Century Park Bldg 1. Our meetings are open to all Association members. Please call one of your Board Members in advance to let us know if you are attending so that a security badge can be prepared in advance for you.

If you have any suggestions or need to talk with one of the Board Members, please call them.

Jay Shepard

## Alumni Association Activities

### ANNUAL HOLIDAY LUNCHEON

SAVE THE DATE: The Annual Holiday Luncheon will be held on December 8, at the Marina Village Seaside Room.

### RETIREMENT BENEFITS REMINDER

For those individuals that took equal pensions for both spouses at the time of retirement, if the spouse of the retired individual passes away before the retired employee, you may be entitled to a "POP UP" increase in your monthly pension. For this or any other retiree questions, contact the My Retirement Information Line at 1-866-491-3316.

### ALERT

It is imperative that you notify the Retiree Service Center (RSC) when you move. This is the address that the company uses to notify you of any changes and also where the Newsletter is mailed. Update your information by contacting the My Retirement Information line at 1-866-491-3316.

### Help Find Retired & Deceased Members

Keeping you informed about our recently retired new members as well as those who have passed away is one of our most important functions. We rely upon local newspapers as well as the SDG&E Human Resources Department for our information. If a deceased member is not listed in our Directory we are not able to send a sympathy card to the family. Please call or e-mail Alice Myers at 858-278-3803, [amollyputz@san.rr.com](mailto:amollyputz@san.rr.com) or any of your Board Members if you have any information regarding a deceased SDG&E Alumni Member.

### NEW SDG&E Energy Innovation Center

San Diego soon will have a new facility where local businesses and trades people can learn about the latest green technologies and energy efficiency programs. The center will include a commercial demonstration kitchen, a smart home inside the building with an electric car in its garage, and a number of seminar and training rooms. The building itself will demonstrate the latest in energy efficiency technology not only in its heating, air conditioning and lighting systems but in its architectural design as well. While the main purpose of the center is to work with business customers of the utility, programs targeting residential customers will be developed for the center as well.

For additional information about SDG&E's Energy Innovation Center please visit:

### ***Alumni Association Board***

The Alumni Association Board and Committee consist of retiree volunteers. All are busy folks who love getting involved and planning activities. However, like all organizations, we sometimes have members that must leave the Board and this year is no exception. Please consider getting involved. We look forward to new faces and ideas. Please let one of your board members know if you are interested.
