SDG&E Retiree Times

July 2012

President's Message

I can't believe how time flies. It is already July and the year is half gone. Are you having fun yet? That is what we as Retirees want to do and hope that you all are achieving that goal. Since our last *Retiree Times* Newsletter, Jim Teeter, our technology guru, sent those of you who have given us an e-mail address an electronic message in an effort to find another way of communicating with you in a more timely manner. A lot of the messages we sent out were returned with an invalid e-mail address. Our new Directory Chairperson, Ken Clay, is in the process of creating a new database for our directory, converting and updating it with more accurate information. If your e-mail address is different than the one that we have listed in the latest Directory printed in December 2011, please send us your correct information so that we can update our records and more efficiently communicate with you. We are trying to bring us into the "techno age" so please help us in this effort. We have thoughts about sending out upcoming events via e-mail etc. in between the times that the *Retiree Times* is sent out. Also, if you have any suggestions how we can improve our *Retiree Times* Newsletter, or suggestions for events please let us know by contacting one of your board members. We are planning our December Annual Luncheon and look forward to seeing you all there.

Take Care Your President, Sue Weinmeister

Annual Holiday Luncheon—Save the Date (December 6)

The Annual Holiday Luncheon will be held December 6 at a new venue, the Balboa Park Club. Located in the Palisades area of Balboa Park at 2144 Pan American Road West, next to the Puppet Theater, this charming site will make for a memorable event. More details to come. Check our website for updates.

SAFE San Diego Campaign

The American Red Cross of San Diego and Imperial Counties (ARC), SDG&E and KUSI-TV launched the SAFE San Diego Safe at Home Youth Challenge on July 15. Now through October, youth in grades K-12:

- Can visit www.KUSI.com where they can test their safety knowledge.
- Each Thursday, a youth will be selected to win a family four-pack of Sea World tickets and parking pass, disaster kit and Red Cross items.
- An iPad and Red Cross emergency kit will be given to a SAFE San Diego youth grand prize winner each month during the three-month campaign time period.

2012 Cool Zones

Having air-conditioned settings where seniors and others can beat the heat not only reduces their individual energy costs, but can protect their health. Cool Zones are also great places to meet people. The County's Aging & Independence Services (AIS), in partnership with SDG&E, will operate the Cool Zone program June 22 through October 15. For more about Cool Zones, see www.CoolZones.org or contact the AIS Call Center at (800) 510-2020, and press "6." For site locations, see <http://www.sdgealumniassoc.org/id30.html>.
