SDG&E Retiree Times

October 2012

President's Message

Well summer is over and fall is here and our Alumni Association Annual Holiday Luncheon is right around the corner. I can't believe how time flies! This year we are very excited to have it in a new venue with much more space and a better sound system. It is being held in beautiful Balboa Park. We look forward to the opportunity to see friends and fellow co-workers that we haven't seen in a while and catch up on what everyone has been doing.

It has been a pleasure this year working with the new board members who have brought a lot of talent and leadership to the board. I thank all of them for the work that they have done and know that you have appreciated the issues of the SDG&E Retiree Times and our newly revamped website. If you haven't gone to our website lately please do, it is continually being updated with new articles by our webmaster Jim Teeter.

Well, don't forget to send in your reservation form when you receive the invitation to the luncheon, I think that we will have a very good turn out this year and do not want anyone to be left out. If you have a fellow SDG&E co-worker who has not retired but will do so soon, invite them to be your guest and bring them along to the luncheon so they also can join in the festivities. See you at the luncheon.

Your President, Sue Weinmeister
